RCC wall/RRM wall and site development works					
2. Integrated Academic Block					
A. Excavation works					
Excavation over areas including dumping and filling of earth and excavation of foundation trenches B. Foundation works					

4	Foundation works complete [i.e RCC footing, column till plinth beam, RRM foundation works, DPC as per the drawings complete	1				
C. Ba	C. Basement works					
5	Complete basement works as per the drawing complete	1				
D. Gr	ound floor works					
6	Complete ground floor works as per the drawing complete	1				
E. First floor works						
7	Complete ground floor works as per the drawing complete	1				
F. Se	cond floor works					
8	Complete Second floor works as per the drawing complete	1				
G. Th	ird floor works if any					
	· •					

9	Complete Third floor works as per the drawing complete if any	1			
H. Jar	mtho Works				
10	Complete jamtho works as per the drawing complete	1			
3. RC	C/RRM Wall				
11	Construct RCC/RRM wall as per the drawing complete	1			
4. Co	1. Computer lab network				
12	Procurement and installation of computuer lab network work as per the proposal and drawing complete	1			
5. CC	<u>TV</u>				
13	Procurement and installation of CCTV cameras for IAB as per the proposal and drawing complete	1			
6. Site	e development works if any				
14	Construct site development works as per the drawing complete	1
